

MAT 223 Survey 1

Q 1. Name. You may wish to additionally spell your name phonetically if your (first) name is hard to pronounce. If you want to be called something else, provide that, too.

Q 2. Year in school (not class standing). Year 1, 2, 3, 4, PSEO, *etc.*

Q 3. Major/minors. If undecided, please indicate so and list potential ones.

Q 4. Tell me something interesting about you that would likely distinguish you from the rest of the class.

Q 5. Tell me something boring about yourself.

Q 6. Favourite math class taken so far:

Q 7. Favourite non-math class taken so far:

Q 8. Why are you taking this course? (If required for your major, why did you choose that major?)

Q 9. What do you hope to get out of this course?

Q 10. Additional comments. Optional.
