

## 1 About You

Name:

Year:

Major (if you've decided)/Potential Majors (if you haven't):

Tell me something interesting about yourself:

Tell me something boring about yourself:

## 2 About You, In the Past

Favorite class ever taken:

Have you ever done any computer programming?

What experience do you have in math? Does the word "math" conjure up any strong emotions in you?

### **3 About You, Right Now**

Why are you taking this course?

What other courses are you currently taking?

### **4 About You, In the Future**

What do you hope to get out of this course?

What, in your opinion, is the greatest invention of all time?
