

CS 208

F, 27 Feb 2026

After:

```
int fd[2];  
pipe(fd);
```

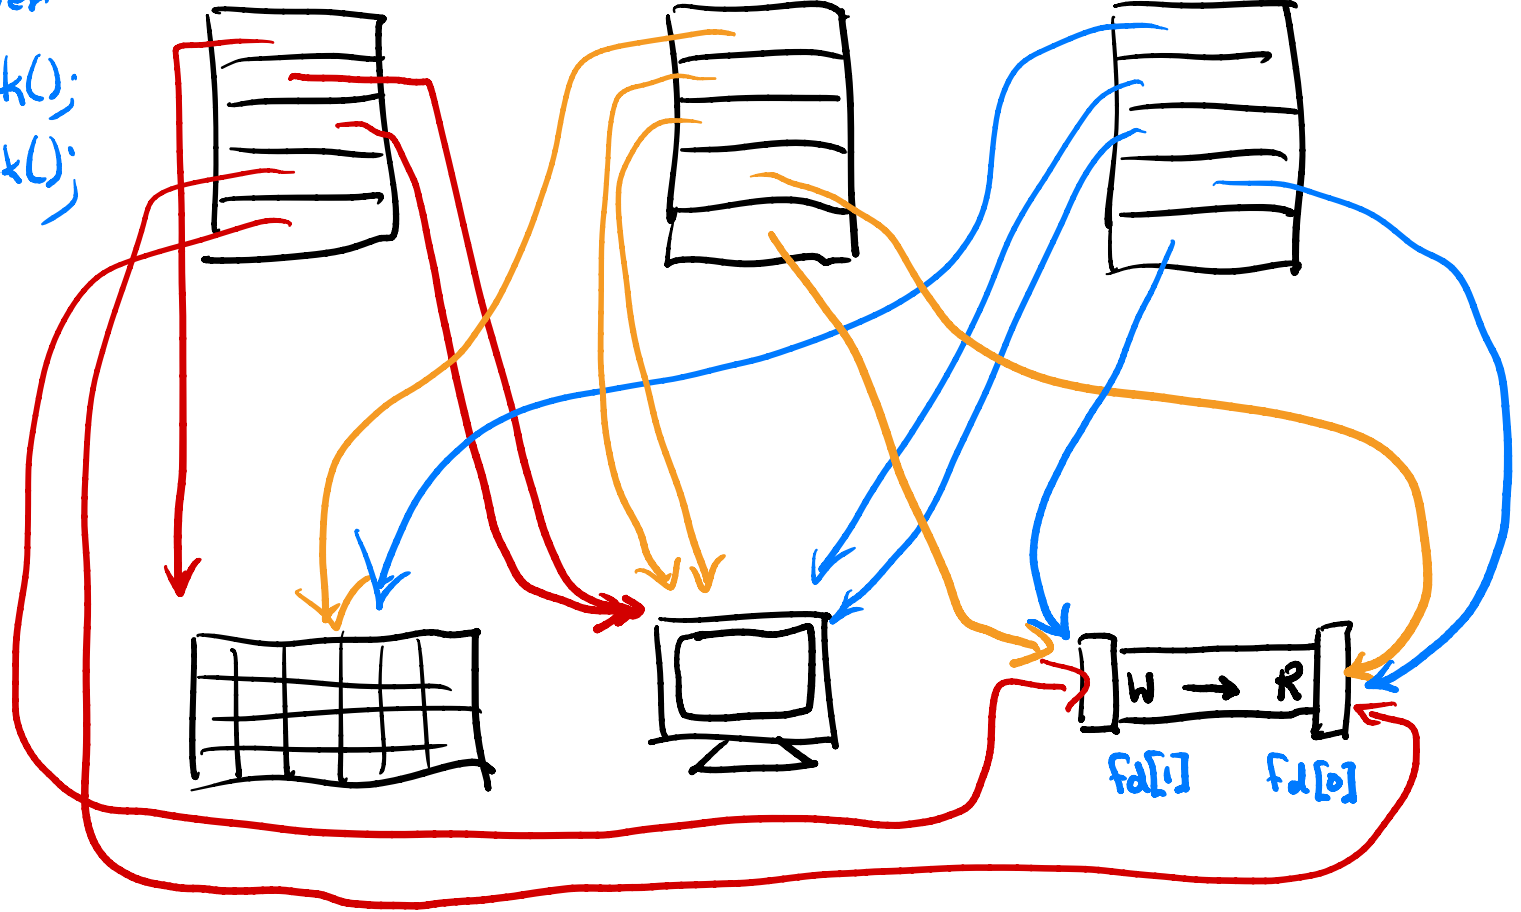

parent

child 1

child 2

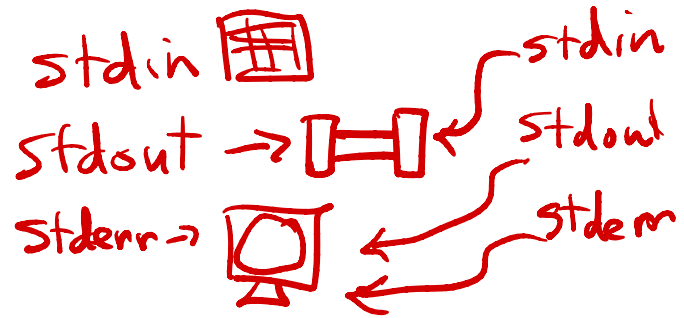

After  
fork();  
fork();

What do we want with

Shell 208 → ls -a | wc -l

default  
stdin   
stdout )   
stderr )

What we want
